

WADPA HANDBOOK 2019

Our Philosophy

Whangarei Academy of Dance & Performing Arts (WADPA) is known for nurturing developing dancers in a safe and progressive way.

We teach age and developmentally appropriate technique classes from a syllabus that allows younger students more time for movement exploration while providing advanced students with the tools to become professional dancers, if they so choose.

As a result, all of our students develop self-esteem, self-discipline, and a strong fitness level that will provide a powerful edge in any future endeavour.
